FULGOR MILANO 30" INDUCTION COOKTOP

30 inch induction cooktop with 4 cooking zones; Black Glass Finish
Model No.: F4IT30B2

FULGOR MILANO INDUCTION COOKTOP FEATURES:

Energy-efficient Technology

- Induction cooktops are the most energy efficient cooktops on the market. They are better for indoor air quality while providing power and control equivalent to natural gas. The pan detection system creates a safer kitchen environment as the cooktop only heats up when a pot is on the burner and cools quickly once the pan is removed.

European Quality

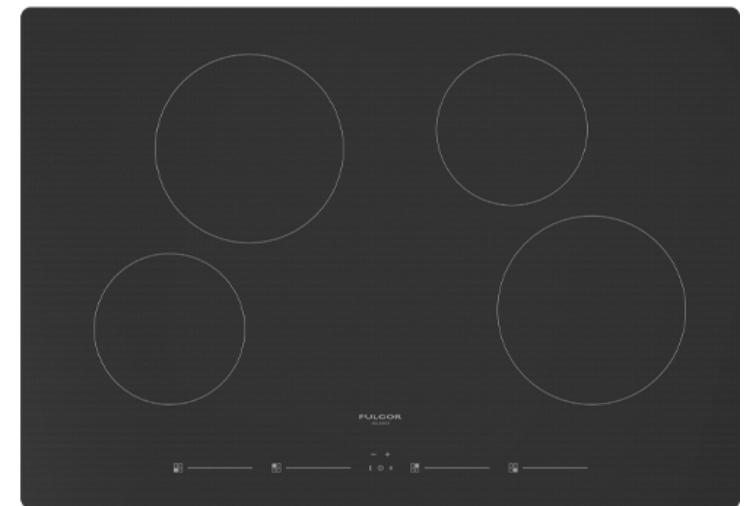

- Touch Slider Controls
- Pan detection system
- Independent timers for each zone
- Automatic heat-up time
- Residual heat and Power on indicators
- Melt function
- Digital minute minder

Classic Italian Design

- Italian design principles inform the style, function and performance of this series, creating a classic yet versatile cooktop

UPGRADE YOUR FINISHES

ADD EXTRA WARMTH TO OUTDOOR LIVING SPACE

Napoleon Nexus 56 Fire Table

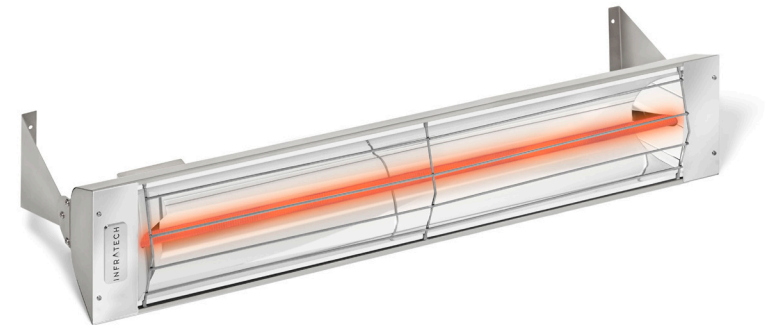

Bring ambiance and coziness to your favorite outdoor spaces with the Nexus 56-Inch Rectangular Patioflame Table. The durable cast aluminum body is hand-painted to resemble concrete for a rustic-rough look that will pair well on stone patios and wooden decks alike. The lava rock media hides the burner to create a magical flame pattern that runs the length of the table. This lightweight unit can be moved to where the action is and is fueled by propane. Optionally, convert this Patioflame Table to use natural gas, so you never worry about refueling. The Nexus Rectangular Patioflame Table features a 3-year warranty, the best in the industry. So, if you want to extend your outdoor season, this beautiful Patioflame Table will provide the light and warmth you crave.

ADD DUAL ELEMENT HEATERS TO OUTDOOR LIVING SPACE

Infratech W-Series Comfort Heaters

Add the warmth of Infratech W-Series Comfort Heaters. Two 39" single element stainless steel heaters will be added to your outdoor living space. Heaters have separate switches for added convenience.

UPGRADE YOUR FINISHES

Whirlpool WHES30 Water Softener

Demand Initiated Regeneration

Water softeners need to regenerate to continue softening water. With Demand Initiated Regeneration, Whirlpool® units monitor your water usage and only regenerate when necessary, minimizing your water and salt usage. Older timer-based models regenerate on a set cycle regardless of how much water you've used; which can result in unnecessary water and salt consumption.

Salt Saving Technology

Ensures that your softener always provides soft water for your entire home, while also minimizing the amount of salt used. Whirlpool® Water Softeners are the most salt-efficient units in the industry.

High Hardness Removal

Removes a maximum of 95 gpg of hardness.

UPGRADE YOUR LIFESTYLE

ADD GARDEN SPAS™ PATIO HOT TUB

IRIS

This efficient four-person, 27-jet spa design will whisk you away into a sea of comfort every time you spoil yourself in its warm and inviting water. If you are looking to relax, unwind, or even simply spend a few extra moments enjoying the company of your significant other or family, then look no further than the Iris.

AZALEA

Style meets efficiency in this exceptional 2-person, 21-jet hydrotherapy haven. Whether you are seeking relaxation or simply pleasure, this spa will alleviate the stresses of everyday life, leaving you revitalized, well-rested

Maxxmar Betterfit Cellular Shades

Cellular & Roller Shades that move with your windows. The shades fit neatly into a stylish frame which moves together with the windows and doors when they are opened or closed giving you a perfect combination of shade and ventilation.
